

An aerial photograph of Lima, Peru, capturing a dramatic coastal scene. A multi-lane asphalt highway curves along the edge of a steep, eroded cliffside. The cliff face is a mix of reddish-brown earth and patches of green vegetation. At the top of the cliff, a cluster of modern, multi-story apartment buildings and commercial structures is visible. To the right of the highway, a sandy beach meets the ocean. The water is a deep greenish-blue, with white waves crashing against the shore. In the distance, the city continues up the hillsides under a sky filled with heavy, grey clouds, with some light breaking through near the horizon. The word "Lima" is superimposed in white text with a thin underline across the middle of the image.
